

The price scales to your community.

\$0.50 per user per month, which works out to \$6/year for each resident. Billing is quarterly or annually with a 10% discount.

60-Day Free Trial

You will receive an automatic free trial of 60 days. This is offered so that you have ample time to allow residents to join and get a feel for how it works.

It's all inclusive.

We'll set everything up for you.

Getting started is automated on the website, but we are glad to help you format and upload logos, invite residents, set up a custom domain, and show you around the system.

Support is free.

Call or email us for technical support.

New features are on the way.

You're encouraged to submit feature requests. Suggestions from clients are the best guide for future development, so please send your feedback!
